Hi Dave,

There are no plans to keep Kim past December 5th at this time, as the worker tracks are fully contracted and covered. I have let the team know that Kim will therefore not be an understudy for Persephone.

Thanks for checking in, and have a good weekend.

Kind regards,
Beverly

Hi,

Hope all is well.

Kim would love to know if you think there may be plans to keep her past the 5th. She would love to learn the Persephone material but if she's just going to be in the company for a little while longer she thinks someone else could focus their attention on that for the longevity of the show.

Let me know your thoughts.

Thanks
